Warrior Trails

By Cathy Focarazzo

In one final shattering blow, the West High Warriors eliminated their final opponent, winning the coveted Bay League title and retaining their perfect, undefeated record.

It was the most exciting night of the whole season with West battling the Santa Monica Vikings at Corsair Stadium, defeating them 13 to 7. It was close, but the Warriors proved, as they have proved game after game, that they are the best and most powerful team in the Bay League.

The Vikings' hopes for CIF were obliterated with the loss of their game, but their spirit was strong even though their loud shouts of "CIF" were to no avail.

IT'S BEEN a little disheartening for the boys on the team that their fine abilities were not given any notice by the so-called "professional" experts. During pre-season predictions, West was not even mentioned, but dubbed with the title of the "Bay League Baby."

Unfortunately for the so-called "old-timers" of the League, all plans for the

title were thwarted by the infant dynamo, West High. Evidently the other schools were just not ready for the great finesse and vitality which the powerful Warriors employed. It was a shock to everyone but us!

In a way, it was good that West received so little coverage at its games, because it riled the team up so bad that the boys stormed onto the field Friday nights with blood in their eyes and one thought — "Tomorrow we'll make the front of the sports page."

IN SPITE of it all, West has fought its way to the top and done a great job in keeping up morale and spirit. We hope this general enthusiasm keeps up at the first CIF encounter with Lakewood at Veterans' Stadium of Long Beach City College.

However, I will close my column with one final prediction — The West High Warriors will once again display their staunch determination as they ascend the rungs of the ladder, one by one, on their competitive climb to the top of CIF!

City Officials Attend Water Project Ceremony

Representatives of the Torrance Municipal Water Department participated in groundbreaking ceremonies for the Cedar Springs Dam, a part of the California Water Project, earlier this month.

R. (Pat) Hogue, chairman of the city's Water Commission, and John Q. Borgwat, manager of the water department, represented the city at the formal ceremonies.

The dam, located 8 miles east of the Cajon Pass in San Bernardino County, will

be a major unit in the State Water Project which will bring water from Northern California into Los Angeles County.

The 2,240-foot long dam will contain some 7.4 million cubic yards of rock and earthfill and 35,000 cubic yards of concrete. Silverwood Lake will be developed for recreational uses.

Work, being done by Morrison Knudsen Co., Inc., will cost nearly \$25.4 million and be completed in August, 1971.

Marine Pvt. Rodney D. Kruit, 18, son of Mrs. Laurel D. Bauman of 18206 Mettler Ave., Gardena, and Marine Pvt. Harlie Gray Jr., 18, son of Mr. and Mrs. Harlie Gray of 540 E. 182nd St., have been graduated from eight weeks of recruit training at the Marine Corps Recruit Depot.

Jump 'n Jack Will Feature Special Menu

A special Thanksgiving Day menu is on the boards for Jack Roger's Jump 'n Jack Restaurant on Pacific Coast Highway.

"We always try to have something special for our patrons on holidays like this," Rogers said.

It will be the traditional turkey feast "with all the trimmings" that is geared to sell for \$3.45. Dancing and entertainment will be provided by The Footnotes in the evening.
